Major challenges

To face the different challenges, we of course have to involve our human and natural resources, but we also need particularly financial funds, material and technical stools or means

Human resources

- ❖ 1,193,000 population
- ❖ 930,540 catholic population
- ❖ 254 native priests
- ❖ 135 native religious female
- ❖ 45 native religious male
- ❖ 1200 Lay ministers

Natural resources

- ❖ Area of 11,350 sq. km
- ❖ Land (plantations, breeding)
- ❖ Water (fishing)

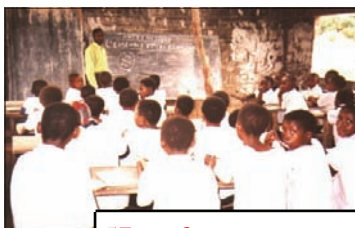

Major challenges

- ❖ Pastoral and spiritual formation for pastoral workers
- ❖ Financial sustenance for pastoral workers
- ❖ Formation for seminarians and religious
- ❖ Health care for priests, seminarians and lay ministers
- ❖ Tools for ministry : books and other materials
- ❖ Vehicles for ministry
- ❖ Means of Social Communication
- ❖ Building new parishes
- ❖ Health issues
- ❖ Justice and peace, and human right issues
- ❖ Youth and women issues
- ❖ Schools
- ❖ Environment and routes
- ❖ Transportation : people and things
- ❖ Human development
- ❖ Drinkable Water issue
- ❖ Habitat (Home) issue

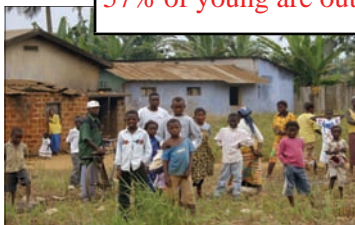

Concrete challenges

Habitat : Kinf of squatters'area

57% of young are out of school youth

Plantation of pineapple

Potable water far from the villages

Concrete challenges

60% no access to health services: lack of services and too expensive

Track: Lack of means of transportation

80% of routes are in bad condition

Vehicles for pastoral work

Women: inhuman condition of work
